

CORE

INTEGRATED REPORTING SYSTEMS

**ONE SYSTEM.
TOTAL VISIBILITY.**

01

WORKFLOW MESSAGING & ESCALATIONS

- Notify the right people instantly.
- Tracks who acknowledges & who responds.
- Reduces reliance on emails & radio chatter.

02

GAMING FLOOR & COMPLIANCE REPORTING

- Captures key compliance checks (machine integrity, float checks, gaming area status).
- Integrated audit trail for regulators and licensing.

03

COMPLETE SHIFT REPORTING (START & END-OF-SHIFT)

- Automated prompts for required tasks.
- Digital sign-off for supervisors and managers.
- Archive history for audits and investigations.

04

CASH DISCREPANCY TRACKING

- Log variances instantly with reason codes.
- Escalation triggers for risk discrepancies.
- Create evidence packs for audit and finance.
